- Once ashore, the team, holding signs that say Arvia Shore Experiences, will be available to guide you.

Going Ashore in Spain

Whilst the majority of COVID protocols have been lifted by the Spanish authorities, masks are still required to be worn when in hospitals and pharmacies.

Ship's Security Notice

In order to prevent unauthorised persons boarding the ship, you are required to carry your "Cruise Card" with you when going ashore. You will be asked to produce this at the gangway when you leave and return to the ship. Be aware that we have established a secure area around the vessel and our security procedures require that you must be prepared to show your cruise card when entering this area, in addition to showing it to the security staff at the gangway when leaving or boarding the ship. We kindly ask you not to accept and bring on board any parcels or packages from strangers. Before boarding the ship, you may also be asked by our Security Staff to open parcels or handbags which you are carrying. We are sure that you will appreciate that this security is in the best interest of all concerned.
